NOTICE

Collection of Examination Fees (B.Pharm & M.Pharm)

This is to inform you that as per the notification received from MAKAUT, the examination fees are to be collected by the college from students and subsequently paid to the University in a consolidated manner.

In this regard, it has been observed that collecting examination fees from individual students just before the examinations is cumbersome for both students and the institution. Therefore, it has been decided that:

- **For regular students**, the examination fees will be collected **along with the semester fees**.
 - Total examination fee: ₹1,400/- (₹1,200/- towards University Examination Fees and ₹200/- towards administrative and bank charges).
- **For students with backlog papers**, the examination fees may be paid **after the declaration of each semester examination result**, which will be notified separately.
 - Total examination fee: ₹1,200/- (₹1,000/- towards examination fees and ₹200/- towards administrative and bank charges).

All students are requested to take note of the above and comply accordingly.

Sincerely,

Principal
